## BELONGING INSPIRES EXCELLENCE

### Option 1

We chose St. Benedict's because our child is truly known here.

Not just by name — but by strengths, struggles, and potential. The sense of belonging has helped our child grow in confidence in ways we couldn't have imagined.

### Option 2 (Short)

Belonging inspires excellence — and we see that every day at St. B's.

## CHALLENGE WITH PURPOSE

St. B's challenges students to think deeply and stretch with confidence.

We've seen incredible academic growth — but just as important, we've seen our child develop resilience and curiosity.

Now enrolling for 2026–2027.

## **PARTNERSHIP FOR PROGRESS**

One of the biggest differences at St. B's is the partnership. Teachers truly work alongside families. Communication is open. Support is real. We feel like part of a team helping our child thrive.
