Each week, we'll learn the fundamentals of two sports, including learning about nutrition, motor development, and muscular identification. We believe in childhood education first, sports second, and having fun!
Cheer Club GymGo Kids (Destiny Gaines)	3:30-4:30	\$332	GymGo Kids Cheer classes will introduce your child to the fundamentals of cheer through tumbling, balance, chants, jumps, stunts, dance, and various techniques. Cheer is an engaging way to develop focusing skills and expand children's imagination. We also emphasize the importance of working together as a team.
Chess Club Chess2Children	3:30-4:30	\$295	Chess2Children is so excited to be joining scholars and families for our 14th year at St. Benedict's! Our company is based out of Smyrna, and we have focused primarily on elementary and middle schools within Cobb County, including many of the public and private schools of Smyrna and Marietta City. Chess continues to be proven to help with patience, strategy, creativity, and cause and effect, in addition to numerous other wonderful academic and real world skills....BUT, don't tell your children—they think it's a fun game! C2C's philosophy has never wavered from our start in 2008 - hire the best coaches to help engage and excite our scholars in the game of chess. Make it fun, make it affordable, make it something they ENJOY coming to do, learning, and doing at home with their friends and family. Based upon registration, we like to split our classes by experience level. Beginners start with the very basics. Our Intermediate scholars are assessed, and we coach them accordingly. The time in class is spent to improve their game, challenge their thinking, and make it fun!
